## Rochdale Borough We Stand Together Launch

Following the National and Manchester launch events the next step for similar local events to take place across the Boroughs, to raise awareness of the campaign with the aim of engaging local people. The intention very much is to get the message into our communities, looking to encourage engagement and participation leading to future activity being very much community led, supported by agencies and civic leaders

Rochdale Borough has taken the lead and is launching their event on Monday 27th April. The Town Mayors' office has taken the lead, where thus far 150 businesses, faith and community groups pledging their support. On the day everyone will be asked to take away a pledge to adopt the ideals and undertake a positive action / activity of their own

Similar launch events will be planned across the other boroughs, If you have any thoughts and ideas for a local event please feel free to contact us.
